

Morrow Soil & Water Conservation District

2020 Fish Fingerling Sale

The Morrow Soil and Water Conservation District is now offering new and established pond owners the opportunity to stock their ponds with fish more conveniently and at a low cost. Anyone considering stocking their ponds in the near future should take advantage of this opportunity. Fish orders will be accepted until **Thursday, April 2, 2020**. The fish will be supplied through Fender's Fish Hatchery of Baltic, Ohio. A tank truck from Fender's will be at the Morrow County Fair Grounds located at 195 South Main Street in Mt. Gilead, Ohio by the Sr. fair office on **Thursday, April 9, 2020 at 10:30 a.m.** to distribute the fish. You will need to bring your own clean container, with a plastic liner, 1/3 of it filled with your pond water. A clean five to ten gallon container will be adequate for 100 stocking fish and five gallons of water for each White Amur. Individuals ordering fish will be mailed a post card reminding them of the order pick-up time.

Fish Species and sizes that will be available are:

Stocking rates recommended for new ponds:

(Source: USDA, NRCS & ODNR, Division of Wildlife)
